Dear Ms. Williams,

Concerning your letter of May 12 concerning mistakes on my financial report.

Item # 1.

The three checks for \$100.00 each that were reported as deposited on 6/24/05 were received on June 1, June 3, and June 7th. They were deposited on 6/24. They were not received during the special session.

Item # 2

The check for \$100.00 from Rural Electrics was recorded in a cash deposit by mistake. The total receipts does not change.

I apologize for the mistakes. Before long I should get this process right and not have mistakes.

Sincerely,

Dick Kelsey
